

ABG SUPPLY
SDN BHD (1378935-K)

ABG SUPPLY SDN. BHD.

Founded by a group of talented individuals across a wide spectrum of specialized expertise within the Event, Marketing, Creative, Procurement, Manufacturing & Printing Fields. ABG Supply Sdn Bhd is a melting pot for everything you could possibly need to run a successful campaign and/or event.

If you were to describe us in one word, it would be Community. Understanding the importance of teamwork and trust that every single aspect of the job is taken care of by a team of professionals, experts within their own fields. It's with decades of experience that lays the foundation to great passion, to think outside the box and explore wild and crazy ideas but with the wits and know how to make them happen.

GREAT UNIQCO

Equipped with professional machinery, skills & experience

We're a collective of different teams, all in unison specializing in our respective fields. Driven by one goal: Taking great ideas and turning them into spectacular realities. It's not just about getting things done, but also efficiently perfect. ABG Supply Sdn Bhd is an all round in house production team providing the complete package you need to get your goals and objectives met as efficiently and to great attention to detail as possible. Our team facilitates state of the art machinery, ensuring high volume and precision output of any good you can imagine. With great machinery comes great innovation. Achieving greater heights with open-minded associates constantly exploring and innovating new techniques and materials. All to ensure that your ideas, however wild or big they may be, can be brought to life.

All in One Creative & Innovative Solutions Provider

No matter the problems, and no matter the situation we strive to find the best possible solution for every challenge we face. We have a strong and dedicated team constantly challenging the production limitation. Be it a tight budget or a limitation in time, we have the man power and industry prowess to get through any challenges. In this ever evolving industry, no technique or material are too far within arm's reach. We are willing to invest and experiment with brand new ideas, material and production methodology.

**CHALLENGE THE
IMPOSSIBLE TO BE
POSSIBLE**

Digital, Offset & Inkjet Printing

We stay on top of industry standards and global requirements for all printing methods such as digital printing, offset printing and inkjet printing. We're here with you at every step of the process, making every measurement and every requirement is met before sending it out for printing. This includes a thorough consultation session before every print job happens ensuring a 100% success rate everytime.

Event Structure Production & Execution

From consultation to execution and clean up. We provide the entire range from start to finish for all events within the Malaysian Peninsula. We also have a dedicated in-house production team ranging from carpentry, electrical wiring and print to set up. Custom made services are also available from signage, lightbox, furniture and event displays. Any and all types of events are welcomed and is no challenge for our professional team, with product launches, roadshows, private event and store openings all first hand experience under their many years in the industry.

TURNING GREAT IDEAS TO GREAT PRODUCTS

Packaging & Customisation

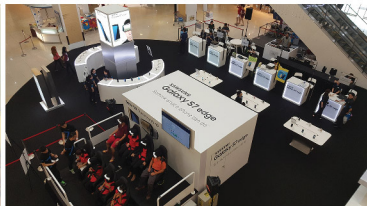

With over a decade of experience, we have veterans of the industry producing high quality unique color and design product packaging. Every product package is unique with customization services as well as sustainable printing and material to enhance your customer's experience!

Corporate & Premium Gift

We are the premium in premium and corporate gifts, providing responsibly sourced products from local & overseas suppliers. Sourcing is just the start of the whole process as we also provide custom labels and customization to better fit ANY and all themes for your event and functions! Quality control is one of the biggest driving factors for our business and ensuring that every product that leaves our facilities is top quality and Zero defects!

A photograph of a 3D sign for the Setia Spice Convention Centre. The sign is mounted on a light-colored wall. The word 'SETIA' is in large blue letters, and 'SPICE' is in smaller, multi-colored letters (green, orange, red, blue). Below it, 'CONVENTION CENTRE' is written in blue letters. In the background, a green, patterned ceiling is visible.
